HOMEWAALA · FOR HOME MAKERS

# Food label template

A starting point you're welcome to use for your own product labels — not a Homewaala-required format, and not a substitute for checking your county environmental health department's own labeling requirements under the California Cottage Food program.

**Product name:** _____

**Ingredients** (in descending order by weight):

---

---

**Major allergens contained** — check all that apply:

- ■ Milk
- ■ Eggs
- ■ Fish
- ■ Shellfish
- ■ Tree nuts
- ■ Peanuts
- ■ Wheat
- ■ Soybeans
- ■ Sesame
- ■ None of the above

**Net weight / quantity:** _____

**Maker name or business name:** _____

**Cottage Food registration/permit number:** _____

**"Made in a home kitchen that has not been inspected by a health department" statement** (required wording for California Cottage Food Class A operators — confirm current required wording with your county):

---

**Date made:** _____

**Best-by / use-by (if applicable): _____**

---

*Confirm the exact required wording and format with your county environmental health department before printing labels — requirements can vary by county and this template does not replace that check.*
